ANDREW & MILLA RUSSO

“Expert knowledge meets hard work and persistency,” describes the Russo’s success in the luxury real estate market within Jupiter, Tequesta, Jupiter Island, Jupiter Inlet Colony, Juno Beach and Northern Palm Beach County. Andrew, from Jupiter, grew up in the real estate business and handles almost every aspect of real estate from development, sales, broker/owner, management to high end luxury transactions. Milla, with years and extensive experience in international marketing and sales entered the real estate industry 20 years ago. Their intimate knowledge of this market and their world class marketing along with good old fashioned hard work, have produced exceptional results.

Together, they have represented some of the biggest sales and most luxurious waterfront and oceanfront properties in Northern Palm Beach County. Some of their more recent sales include 609 S Beach for \$35.5MM after it was listed with four other brokers over the last several years without selling; 119 S Beach for \$14MM; 22 Ocean for \$13MM; 48 Coconut for \$8.2MM; 7 S Beach for 10.3MM; and 314 W Riverside for \$8.75MM.

In addition to the ultra-high end waterfront sales, as local experts the Russo’s have represented numerous other transactions in their market at lower prices. Satisfied clients are their ultimate objective.
