

in March

A German music producer and his wife bought an oceanfront home in Jupiter for \$15 million, their third acquisition in the area.

Records show Dirk and Marina Ulrich bought the house at 22 Ocean Drive from Robert Weed and his wife, Maria De Los Angeles Lopez.

Dirk Ulrich is a German-born music producer who has worked with the likes of Toto and Michael Jackson. He is also president and CEO of two companies, Germany-based production firm Brainworx and California-based Plugin Alliance.

Rob Thomson of Waterfront Properties & Club Communities represented the buyers, and Andrew Russo of Illustrated Properties had the listing.
