MILLA RUSSO**

Nestled among the natural beauty of the Atlantic Ocean, Intracoastal Waterway, and Jupiter Inlet, Jupiter Inlet Colony offers an exclusive residential experience on the southern tip of Jupiter Island. The town is considered a hidden gem, with properties ranging from \$3 million to \$40 million, providing residents with a tranquil and upscale living environment. The Russo Group has a stellar reputation in Jupiter Inlet Colony, surpassing all others in real estate sales history. With over \$200 million in closed transactions and two generations of dedicated service, our unmatched expertise has led to record-breaking sales in oceanfront properties, vacant lots, and overall sales within the community, showcasing our in-depth knowledge of The Colony and its real estate market.

As the top team at Illustrated Properties for five consecutive years, with a total sales volume \$3+ Billion and \$161 million sold in 2023, The Russos possess a unique insight into this market. In today's volatile market, settling for average service is not an option. Through our expertise and dedication to personalized service, we offer concierge-level assistance to cater to all your real estate needs.

If you are considering buying, selling, or renting in Jupiter Inlet Colony or the greater Jupiter area, The Russo Group is your trusted team of local luxury home REALTORS®.
